### **About Satia Industries Limited:**

Satia Industries Limited (SIL), is one of the largest Wood and Agro-based paper manufacturer in India. SIL was incorporated by Dr. Ajay Satia in 1980 and commenced its operations in 1984 with a small capacity of 4,850 tons per year. It surprisingly overtook many of its peer in production, to achieve 1,41,525 MT in FY22 implying a capacity utilization of ~117%. SIL has successfully commissioned their PM 4 and has augmented its total installed capacity to 205,000 MTPA. In last three decades, SIL has witnessed a complete transformation in its operations, and it has become fully backward integrated having integrated pulping, chemical recovery, and power self-sufficiency. SIL has 540 acres of eucalyptus plantations, developed as per Karnal Technology, consumes total treated water discharge, and also compliments the future wood raw material requirements. SIL has a strong Pan-India distribution network with 70+ dealer and 3 branch offices located in Delhi, Chandigarh & Jaipur with total Employee strength of 2,200+.
